**Questions for Community Group:**

*(These questions are discussed in community groups each week. For more information on Community groups, email Scott Moore at [scott@gracemobile.org](mailto:scott@gracemobile.org))*

**Observation...See it!**

1. How would you describe the life of Enoch from the Genesis account?
2. How would you describe the life of Enoch from the Hebrews account?

**Interpretation...Understand it!**

1. What is meant by the statement that "without faith it is impossible to please Him"?
2. What does it mean that God rewards those who seek Him? How does this challenge and encourage your faith?
3. Why is faith in God a prerequisite for being near to God? See Hebrews 11:6

**Application...Apply it!**

1. Enoch lived in a dark culture that could have discouraged his faith in God. See Genesis 6:11-13. What are the things in our culture that can discourage your daily trust in God?
2. Read Colossians 1:15-20. How can this description of Jesus Christ strengthen your faith?
3. What progress have you seen in trusting God this week? Where are you presently needing to trust God? What would that look like for you?
4. Are you regularly asking God to increase your faith? If not, begin to ask Him.
